

4ACCS Survey

Staying in Touch

In 1992 the 4ACCS was deactivated. While some of the crews have stayed in touch over the years, it was suggested to have reunions. The first reunion took place in June 2004.

2004 Reunion – Two-day weekend event. Local members from each branch, hosted a Friday night potluck, and Saturday was golfing and a picnic, followed by a banquet with a meal and program.

2007 Reunion – Two-day weekend event. Banquet and golfing.

2012 Reunion – Four-day weekend event. Mt Rushmore Lighting Ceremony Bus Tour, Delta-01 & Delta -09 Bus Tour (included lunch at Wall Drug, SD Air & Space Museum, Ellsworth AFB Tour), Welcome Reception, Banquet, Sunday Brunch, and Golfing.

2014 Reunion – Combined Reunion with SAC ACCA. Four-day weekend event. Same Bus Tours as 2012 Reunion, and 1880 Train-Winery Bus Tour included Hill City and Keystone, also golfing.

2017 Reunion – 25th Anniversary Reunion – Repeat of June 2012 Reunion, replacing Delta-01 with New Minuteman National Historical Site Visitor’s Center. Memorial Bench Dedication at SD Air & Space Museum.

Throughout the 25 plus years, since deactivation, a roster has grown to over 650 names. These are names and addresses of the men and women of the 4ACCS since 1970. The roster increases every year, as someone recalls a 4ACCS family whose name is missing; or a lost 4ACCS member hears of the 4ACCS gatherings through others, or through the website, at www.4accs.com.
